LUNCH CHEF 11:45am – 12:45pm DINNER CHEF 4:45pm -6:00pm

SPECIALTY CLASSES 1:30-3:00pm or 3:05 – 4:35pm 90 min (Mon-Thurs grades 3- 11 for 2 weeks)

SESSION 1	GRADES	DESCRIPTION
I WANNA BE A POPSTAR	3-6, 7-9	Create your own "Pop Persona" while studying vocal techniques, choreography, and costuming in order to become the next big thing!
INSTRUMENTAL IMPROVISATION	6-11	It's one thing to play music, it's another to be able to improvise. Practice the art of timing, extemporaneous composition, and confidence.
YOUNG COMPOSERS	5-7, 8-11	Students will learn how to create original music content, learn basic music theory, music notation, and apply it in our originals created as a class. Students will gain an understanding of the effort and value of teamwork.
WORLD MUSIC APPRECIATION	5-7, 8-11	Students tour the world of music and gain a musical as well as a cultural connection to various countries starting in melting pot of North American music followed by South America and then to Africa, Asia, and Australia.
MY FIRST PODCAST	8-11	Learn the art of creating your own podcast from creating content, recording techniques, building an audience and more.

SESSION 2	GRADES	DESCRIPTION
ROCK GUITAR	6-11	Rocking out on the electric guitar takes skill and style. Build the techniques needed to play your favorite rock licks.
PAINTER'S STUDIO	3-6, 7-11	Using acrylics and watercolor students create their own works of art while learning a variety of styles, techniques and methods of painting. *\$15 supply fee
ME, MYSELF AND I	3-6, 7-11	This class should be required for every young person! Led by artist and motivational speaker Ms. Gha'il, acting, creative writing and visual arts are used to build personal power, self-esteem and confidence.
DROPPING YOUR ALBUM	6-11	Do you want to know what it takes to write and release your first album? Learn step by step including songwriting, finding a producer and marketing to begin working on sharing your talent with the world.
LYRICIST IN THE MAKING	6-11	To explore the process in the creation of lyrics within various songs and originals created in class with a focal point on musicals. Originals will be performed at the conclusion of the session.

VIRTUAL TRIPS & GAMES – 1:30- 3:30pm (Offered Mon-Thurs grades 1- 8 for 2 weeks)

Students alternate between going on a virtual field trip one day and having online group game fun the next. Each class runs 1 hour.

Online Field Trips – Students will take 4 interactive Virtual Field Trips to sites which can include but are not limited to: Smithsonian Museum, NASA, Atlanta Zoo, Center for Aquatic Sciences and more).

Game Time – Students will participate in interactive group games and activities led by our Youth Leaders. Games encourage social engagement, critical thinking, and lots of fun!
